Company description

Over the last thirty five years NGL has evolved into a premier provider of best-of-breed supply chain solutions. We practically created the Next Flight Out mission critical air freight segment back in 1971. Since then, we have developed systems and processes that insure the highest levels of service in the industry and have expanded our service offerings to meet the needs of our customers.

Today, NGL provides end-to-end global supply chain solutions, with core areas of focus in:

- Mission Critical Transportation Services
- Service Parts Logistics
- Warehousing and Distribution
- International, Air, Ocean, and Customs

NGL is committed to providing our customers with service excellence, by providing superior performance, reliability, visibility, and proactive communication and problem solving.
