note (1) when a rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property. if the value is omitted, the shipment will be subject to the lowest actual or released value as determined by the NMFC, subject to a maximum carrier liability for loss, damage or delay not to exceed $25.00 per lb. or $100,000 for a single shipment. the agreed or declared value of the property is hereby specifically stated by the shipper to be not exceeding: **$** **per**

note (2) liability limitation for loss or damage on this shipment may be applicable. see 49 U.S.C.ß14706(c)(1)(A) and (B).

note (3) commodities requiring special or additional care or attention in handling or stowing must be so marked and packaged as to ensure safe transportation with ordinary care. see Sec. 2(e) of NMFC item 360.

note (4) excess liability coverage: shipper may request carrier liability coverage in excess of the limit stated in the customer's pricing provision or the carrier limit as stated in item (1) above, by indicating such amount of excess value in the **"description of items"** section of this bill of lading. excess coverage will be subject to the provisions of carrier **rules tariff** in effect the date of this shipment. failure to request **excess value** shall relieve the carrier and ngl of any additional liability beyond that specified in its tariff or customer pricing provisions.
