

right part. right place. right time.

service overview

priority air freight

Whatever the shape, size or quantity of your shipping requirement, NGL is here to help with a powerful suite of air freight services. Powered by our exceptional service and supported by our long-standing relationships with each of the major air carriers, you can ship your heavy weight shipments with confidence using our Priority Air Freight service.

We are available at any time, including weekends and holidays, to provide specific information and the most reliable courier service in the industry. Our offices are staffed by NGL employees 24 hours a day, 7 days a week.

The Benefits of Priority Air Freight

Whether you are shipping game films between professional or college sports teams, or looking to expedite key components of your supply chain, NGL delivers with an extensive suite of priority air freight services. We'll work hard to meet your most immediate transportation needs. You'll also benefit from our strategic approach to understanding your organization and precisely matching your business needs.

Inspired Technology Combined with Superior Service

It goes beyond getting your freight or package from point A to point B. You need visibility throughout the process, and you deserve committed service to support you and your organization. NGL provides integrated systems and processes that you can rely on. Tracking is available online, and our customer support team is ready to help 24 hours a day.

Key Benefits of Working with NGL:

- On time – failure-free service – right part, right place, right time – all the time.
- Outstanding accuracy – we have recorded some of the highest inventory accuracy and on-time shipping levels in the marketplace.
- Real-time visibility for both inventory and transportation - our systems show you your shipment with live real-time tracking, including gps tracking on the ground and in the air.
- Proactive problem solving – our systems provide us with step-by-step visibility so we solve problems before they become failures.
- Proactive communication – so you are aware of issues early enough to make good decisions.
- Our customers are some of the largest and most well known in the market place for a reason. We offer the optimal combination of outstanding service at competitive prices.
