

right part. right place. right time.

service overview

sameday air

There are times when overnight delivery is just not fast enough for your customers. That's where NGL comes in. We are the recognized industry leader in NFO (Next Flight Out) services. That's why clients in industries as diverse as medical products and entertainment trust us with their most urgent transportation requirements.

NGL will pick up your material and move it immediately. Delivery can often be accomplished before the close of business depending on flight availability. We are happy to quote specific delivery times and rates to any destination.

We are available at any time, including weekends and holidays, to provide specific information and the most reliable same day shipping services in the industry. Our offices are staffed by NGL employees 24 hours a day, 7 days a week.

Key Benefits of Working with NGL:

- On time – failure-free service – right part, right place, right time – all the time.
- Outstanding accuracy – we have recorded some of the highest inventory accuracy and on-time shipping levels in the marketplace.
- Real-time visibility for both inventory and transportation - our systems show you your shipment with live real-time tracking, including gps tracking on the ground and in the air.
- Proactive problem solving – our systems provide us with step-by-step visibility so we solve problems before they become failures.
- Proactive communication – so you are aware of issues early enough to make good decisions.
- Our customers are some of the largest and most well known in the market place for a reason. We offer the optimal combination of outstanding service at competitive prices.
