service overview

same day ground

The Leader in Expedited Delivery

Network Global Logistics (NGL) has been the premier provider of same day mission critical transportation since 1971. Offering a suite of complementary transportation and warehousing services enables NGL to customize a solution for clients of any size, including small local companies and multi-national Fortune 500 organizations. NGL sets the industry standard in next flight out, service parts logistics and same day ground shipping.

Customized Same Day Ground Solutions

NGL provides on-demand and scheduled service throughout the United States and internationally. So whether it's city to city, counter to counter or country to country, you can be confident that NGL will be there to handle your most important shipments 24 hours a day, 7 days a week, and all 365 days of the year.

Why Choose Network Global Logistics Same Day Ground

- **Industry Leading Experience** - NGL has been a leader in mission critical transportation for over 35 years serving the medical, entertainment, financial, legal, aerospace and technology industries.
- **Exceptional Service Levels** - Standard operating procedures ensure that your shipment is picked up and delivered on-time, every time, anytime of the day to the very minute.
- **Quality People** - Employee staffed global call centers and a screened network of drivers are selected specifically for their ability to provide friendly, consistent, and reliable customer service.
- **Visibility, Tracking & Routing** - Our in-house systems develop the optimal route and provide you with up to the minute visibility and package detail via email, RF and GPS technology.
- **Flexibility** - Whether you ship one small parcel per month or need a fleet of vehicles to handle thousands of containers per day, NGL can develop a unique program for your needs.
- **Decreased Costs** - Through continuous improvement and utilizing the right mix of company owned and contracted resources, NGL is able to offer an overall lower cost than the competition.
- **Anywhere, Anytime** - NGL has developed the standard operating procedures to provide local, domestic or international same day service door-to-door, whenever and wherever.
- **Depth of Service** - As your company grows and changes, NGL will be there in support with a full suite of logistics services including; same day air and ground couriers, strategic regional warehousing for storing parts, big box warehousing, fulfillment and freight transportation.
